What is Block chain Technology?
Future of Blockchain in Digital Marketing.

What is Blockchain Technology? Blockchain is a digital technology used to store information (data) securely, transparently and without any third party control. You can understand it like a digital ledger, in which every transaction is recorded sequentially. Understand in simple language: Blockchain is made up

The advertisement features a blue background with white and orange accents. At the top left, there are icons for Facebook and Instagram. The text 'Learn DIGITAL MARKETING' is prominently displayed. A central illustration shows a woman in a yellow shirt wearing a headset, sitting at a computer. To her right is a speech bubble with three red dots. At the bottom right, there is a phone icon, the number 9865324567, and a globe icon with the website address www.shubhkamna.com. A circular logo for Shubhkamna Institute is in the top right corner.
