### Our Journey

Aakanksha is like an umbrella patronising services to special children by deploying bottom top approach with 360 degrees spectrum. Those were the days when we were ignorant about the prevalence of disability but after 25 years too what services render today is like a drop in the ocean, when we collate the figures of disability. The 2011 census recorded 2,68,10,557 as disabled population in India and 6,24,937 in our Chhattisgarh State.
